Penjadwalan Ulang Wisuda Angkatan 63 - BINUS University

Rescheduling of Graduation Batch 63 - BINUS University

No. 004/PAN-WSD/VII/2021

Dear BINUSIAN lulusan tahun 2021,

Salam Binusian dan Salam Sehat!

Semoga rekan-rekan Binusian dalam keadaan sehat dan selalu dalam lindungan Tuhan YME.

Kami mengucapkan terima kasih atas kerjasama rekan-rekan dalam mengikuti proses pendataan Wisuda 63, dengan mengisi menu *Graduation Questionnaire* dan *Graduation Form*, serta melakukan pembayaran. Semua proses tersebut merupakan salah satu persyaratan untuk pengambilan dokumen kelulusan setelah acara wisuda.

Namun, dengan ditetapkannya kebijakan PPKM (Pemberlakuan Pembatasan Kegiatan Masyarakat) Darurat yang berlaku mulai 3-20 Juli 2021 di Pulau Jawa dan Bali, maka terdapat beberapa penyesuaian, antara lain:

1. Proses pengiriman Paket Wisuda oleh vendor logistik ke alamat calon wisudawan memerlukan waktu yang lebih panjang, karena adanya pengaturan SDM akibat diberlakukannya 100% Work Form Home dan pembatasan jam operasional kantor.
2. Proses pengiriman Paket Wisuda akan dilakukan setelah BINUS memastikan keamanannya untuk mengurangi risiko penyebaran Covid-19 selama proses distribusi.

Oleh karena itu, sebagai bentuk dukungan kita atas upaya pemerintah dalam menanggulangi pandemi, maka BINUS memutuskan bahwa pelaksanaan Wisuda 63 Online yang sedianya akan dilakukan pada hari Sabtu, tanggal 31 Juli 2021 **ditunda menjadi hari Sabtu, tanggal 28 Agustus 2021.**

Adapun pengiriman Paket Wisuda akan diproses secara bertahap sesuai perkembangan situasi pandemi sehingga dapat sampai ke alamat calon wisudawan sebelum tanggal 28 Agustus 2021. Setelah Paket Wisuda diterima, mohon dapat melakukan proses disinfektan / sterilisasi untuk memastikan toga dan perlengkapannya aman dan nyaman saat dipakai.

Informasi lebih lanjut terkait detil acara dan pembagian shift wisuda akan diumumkan segera melalui Microsite Wisuda (binus.ac.id/graduation), Binusmaya, LMS, Mybase dan media publikasi lainnya.

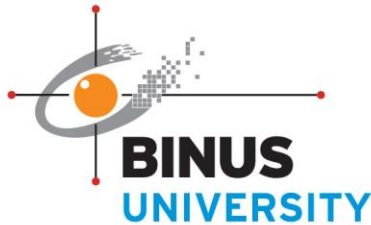

Demikian agar menjadi perhatian.

Tetap patuhi protokol kesehatan, menjaga jarak, jauhi kerumuman dan salam sehat selalu.

Announcement

Penjadwalan Ulang Wisuda Angkatan 63 - BINUS University

Rescheduling of Graduation Batch 63 - BINUS University

No. 004/PAN-WSD/VII/2021

Dear BINUSIAN graduate of 2021,

Greetings Binusian!

May you all be in good health and always under God's protection.

We would like to thank you for your cooperation in participating in the 63rd Graduation data collection process by filling out the Graduation Questionnaire and Graduation Form and making your payments. All of these processes are some of the requirements for retrieving your graduation documents after the graduation ceremony.

However, with the stipulation of the Emergency PPKM (Enforcement of Restrictions on Social Activities) policy, which will take effect from 3-20 July 2021 on the islands of Java and Bali, there have been several adjustments, including:

1. The process of sending the graduation packages by logistics vendors to the prospective graduates' addresses will take longer, because of the human resource arrangements due to the implementation of 100% Work from Home and restrictions on office operating hours.
2. The graduation package delivery process will be carried out after BINUS ensures its safety to reduce the risk of spreading COVID-19 during the distribution process.

Therefore, as a form of our support for the government's efforts in dealing with the pandemic, BINUS has decided that the 63rd Online Graduation scheduled for Saturday, July 31, 2021, **will be delayed and changed to Saturday, 28 August 2021.**

The delivery of the graduation package will be processed in stages based on developments of the pandemic situation, so that it can arrive at the address of the prospective graduate before August 28, 2021. After the graduation package is received, please disinfect/sterilize it to ensure that the gown and equipment are safe and comfortable to wear.

Further information regarding the details of the event and the graduation shifts will be announced soon through the Graduation Microsite (binus.ac.id/graduation), Binusmaya, LMS, Mybase, and other publication media.

Thank you for your attention.

Make sure to always follow the health protocols, keep a distance from others, avoid crowds, and maintain your health.
